> [From the Lynchburg News. Tale of a Possum.

Nox was lit by lux of luna, And 'twas a night most oppotuna, To eatch a possum or a coona; For nix was scattered o'er this mundus A shallow nix et non profundus. On sie a nix with canis unus, Two boys went out to hunt a coonus. The corpus of this bonus canis, Was full as long as octo span is; But brevis legs had canis never Quam had hie dog brevis clever. Some used to say in stultum jocum That sic a field was too small locum For sic a dog to make a turnus Circum self from stem to sternus.

Unis canis, duo puer, Numquam braver, numquam trueer, Quam hoe trio acquam fuit, If there was I never knew it. Hie bonus dog had one bad habit Amabat much to tree a rabbit Amabat plus to tree a rattus, Amabat bene to chase a cattus. But in this nixy moonlight night, This old canis did just right. Numquam treed a starving rattus, Numquam chased a starving cattus But eucurrit on intentus, On the track or on the scentus, 'Till he treed a possum strongum In a hollow trunkum longum. Loud he barked in horrid bellum, Seemed on terra venit hellum, Quickly ran the duo puers, Mors of possum to secure; Quum veneret one began, To chop away like quisque man: Soon the axe went through the trunkum Soon he hit it per! cher!! chunkum!!! Combat thickens; on ye braves; Canis, puer, bites and staves; As his powers non longus tarry, Possum potest non pugnare. On the nix his corpus lieth, Down to Hades his spirit flieth, Joyful puers, canis bonus, Think him dead as any stonus. Aint his corpus like a jelly? Quid plus proof ought hunter velle? New they seek their paters domo, Feeling proud as any homo. Knowing certe they will blossum Into heroes, when with possum They arrive, narrabant story With plenus blood and plenior glory. Pompey. David, Samson, Cæsar, Cynes, Blackhawk, Shalmanezer, Tell me where est now the gloria; Where the honors of Victoria!! Quum at domum narrant story Pienus sanguine, tragie, gory; Pater praiseth, likewise mater, Wonders greatly younger frater. Possum leave they in the mundus, Go themselves to sleep profundus; Somniunt possum slain in battle Strong as ursae, large as cattle. When nox gives way to lux of morning Albam terram much ad rniog, Up they jump to see their varmen One of which quid est the carmen. Possum hie est resurrectum! Leaving puers most dejectum. Cruel possum; bestia vilest, How the puers tu beguilest; Puers think not plus of Cæsar, Go O grammen, Shalmanezer; Take your laurel cum the honor, Since ista possum is a goner.

"WASINGTON COLLEGE," Lexington, Va. LIFE INSURANCE .- "I kum to the conclusion lately that life was so onsartain, that the only way for me to stand a fare chance with other folks was to get my life insured; so I called on the agent of the Garden Angel Life Insurance Company, and answered the following questions, which were put tu me, over the top of a pear of specs, by a slick old feller, with a round gray head on him as any man ever owned .-Are you mail or femail? if so, state how long you have been so. Had yu a father or mother? if so, which? Are yu subject to fits? and, if so do yu have more than one at a time? What is your precise fiting waite? Did yu ever have any ancestors? and if so, how much? Du yu ever have any nightmare? Are yu married or single? or are you a bachelor? Have yu ever committed suiscide? and it so, how did it affect yu? After answering the above questions like a man in a confirmatiff, the slick little fat old feller with gold spees on, sed I was insured for life, and probably would remain so for some years. I thanked him, and smiled one of my most pensive smiles."

SOLUBLE PACIFIC GUANO.

The value of this GUANO is now so well. known and apprecialed, that it does not require further commendation from us. The Company owns the Guano Islands, and

other sources of supply from which its raw material is drawn. Hence, this Guano, possessing ruch high excellence, can be brought into market at a price not exceeding that of the ordinary Super-Phosphates of Lime.
The large capital invested by this Company

affords the surest guarantee of the continued excellence of their fertilizer, as the safety of their capital depends upon continued and permanent business. Experience has shown that this Guano ripens.

the Wheat crop from five to six days earlier than the Super-Phosphates. It is the policy and purpose of the Company to furnish the best fertilizer that enterprise and capital, aided by the best scientific ability, can bring into market, at the lowest possible

riage, &c., impossible. YOUNG MEN, Especially, who have become the victim: of

solitary vice, that dreadful and destructive habit which annually sweeps to an ultimely grave thousands of Young Men of the most excellent talents and brilliant intellect, who might otherwise have entranced listening Schaler with the three declarations. tors with the thunders of eloquence, or waked to estacy the living lyre, may call with full

MARRIAGE. Married Persons, or Young Men comtempla-ting marriage, being aware of Physical Weak-ness, Organic Debility, Deformities, speedily

cured. He who places himself under the care or Dr J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

Immediately cured and full vigor restored. This distressing affection, which renders life miscrable and marriage impossible, is the penalty paid by the victims of impropriety .-Young persons are too apt to commit ex-cesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those failing into improper habits than by the prudent? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The System becomes deranged, the Physical and Menta! Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspensia, Palpitation of the Heart, Indigestion, Constitutional Debility, and Wasting of the Frame, Consumption, Decay and Death.

DR. JOHNSON, Member of the Royal College of Surgeons London, Graduate of one of the most eminent part of whose life has been spent in the hespitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind

were cured immediately. TAKE PARTICULAR NOTICE. Dr. J. addresses all those who have injure! themselves by improper indulgence and soli-tary habits, which ruin both body and mind, unfitting them for either business, study, sociey or marriage. These are some of the sad and melanchely

effects produced by early habits of youth, viz. Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Museular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of liabilities of the company, and losses settled Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded. Loss of Memory.

Confusion of Ideas, Depression of Spirits, Evil Forebodings, Averson to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced:
Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, ner-vous and emaciated, having a singular appear-

ance about the eyes, Cough, and Symptoms of

Consumption. YOUNG MEN, Who have injured themselves by a certain practice, indulged in, a habit frequently learned from evil companions, or at quently learned from evil companions, or he school, the effects of which are nightly felt, even when asleep, and, if not cured, renders marriage impossible, and destreys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be

snatched from all prespects and enjoyments of life by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

reflect that a sound mind and body are the most necessary requisites to promote connubial hap-piness. Indeed, without these the journey through life becomes a weary pilgrimage; the prosp et hourly darkens to the view, the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness canother becomes blighted with your own.
